

DISTANT LEARNING PROTOCOL

Campus Visits

At this time, we are asking that we have no visitors unless an appointment is made with an individual teacher or the office. Upon arrival, the parent or legal guardian must fill out our on-site visit protocol form, and both parent and student's temperature need to be taken before entering school grounds.

Technology Issues:

Please notify your teacher as soon as you discover technology problems. If you are unable to reach them, please call the office so we can help resolve the issue.
